Primary Contact:	Ulku Unsoy	

2. MISSION STATEMENT OF UNISUN WORLD:

Unisun World was created for the purpose of opening dialog between people of different communities and backgrounds towards *Acculturation*, without regard to age, race, nationality, religion or sexual orientation. Unisun intends to educate, motivate and empower people through its influential events and educational outreach projects that can be replicated locally and abroad.

3. DESCRIPTION OF UNISUN ACTIVITIES AND BENEFITING AUDIENCES:

A. Unisun World develops its projects from its main office and accomplishes them at associating venues.

B. Unisun World promotes greater appreciation of the *arts, science* and *culture* in different communities. Unisun World projects showcase a diversified array of creative expressions of the past, present and future, combining both *time honored styles* and *new approaches*. Unisun activities intend to educate, inspire and encourage people while adding an attractive and vital empowerment link to the region.

C. Unisun World projects may be free or at cost to the public, operating on three different levels; promoting the ideas of:

- Creativity & Skills Development
- Awareness Development
- Peace, Health and Globalization

To date, Unisun World accomplished numerous activities. Please visit unisunworld.org for details.

Unisun World activities shown below may be scheduled simultaneously.

Recreational Activities of Unisun World:

Each Unisun project will be designed following one or all above shown concepts, organized by responsible administrators and the event committee of the organization. These activities take place at various locations as themed events and may be:

- Intercultural Festivals
- Biennales
- Solo or Group Exhibitions
- Concerts
- Trips
- Seminars

UniFest – Acculturation Festival of NYC: This trademark festival of Unisun World was designed and accomplished in June 2003, at the United Nations district of NYC.

Other Projects include Unisun Museum, Community Centers, Public Relations and Fund Raising events for the organization.

Unisun World Educational Programs Development and Activities:

Unisun operates its educational programs for all age groups. These programs may include: Art (visual, aural-music, performance, and language-literature), Science & Technology and Social Studies. Unisun World presents these activities to different communities at participating venues through:

- Classes
- Workshops
- Network Events
- Educational Field Trips
- Lectures and Panel Discussions

Unisun World Awards:

Unisun arranges local / worldwide competitions for the purpose of involving more people in creativity and cultural exchange. UWAC (Art Competition of UW) is the annual 12 awards competition of UW.

People Who Can Benefit from the Works of Unisun World:

All people can benefit from the schooling of Unisun. The Unisun World projects envision raising the cultural awareness of communities in New York City and abroad. Our activities are at easy-to-access NYC venues, designed to empower people with their abilities and interests. The audiences may be observers from various backgrounds, enhancing their skills at the free Unisun workshops, with the steps from traditions, up to day.
